**Best Plumbing &
Sanitary Products
Manufacturers
in India**

ABOUT US

Based in India, for more than four decades we have been spearheading the plumbing industry. With multiple innovations and developments, we have retained a leading market share.

At Watermen Jindal India Pvt. Ltd. as a complete water solution provider, we are proud to be the pioneer of the sanitaryware industry in India and playing a vast role in the country's development.

Founded in 1980 by Sh. Ram Niwas Jindal, Watermen Jindal has come a long way from its humble beginnings.

Started with the vision of eco-friendly water solutions in mind, Watermen Jindal has for sure been able to achieve, in many terms, what it is intended for. With multiple high capacity production plants all over India, we are one of the largest producers of bathroom and plumbing solutions across the country.

We are recognized as a leader in design and innovation of plumbing and bathroom fixtures, taps, sanitaryware products, accessories for residential, commercial and industrial markets nationwide.

We have wide range of products. Our Pipes and Fittings are available in CPVC (Chlorinated Polyvinyl Chloride), uPVC (Unplasticized Polyvinyl Chloride), HDPE, (High-Density Polyethylene), DWC (Double Wall Corrugated), MDPE(Medium Density Polyethylene), & HDPE PLB Duct.

With applications in households, industries Agriculture, electrical purposes, offices, communication lines, etc. In addition we also provide SWR (Soil, Waste & Rain) Drainage System, uPVC Conduit Pipes and Fittings. We also produce Water Storage Tanks, Milk Buckets and Containers.

Our Sanitaryware portfolio includes: PTMT Taps, Toilet seat covers (UF and PP available in soft close and hard close), Concealed Cisterns (In-wall Cisterns), Exposed Cisterns (Flush Tanks), Internal Mechanisms (Flush valves and Fill valves), Mirror Cabinets, Stainless Steel Kitchen Sinks and a wide range of Bathroom Fittings and Accessories.

We've maintained a commitment to always believing in better, creating stronger, healthier communities and more sustainable product solutions in an effort to leave the world a better place for generations to come.
